WISBY

Unique environment in the heart of Visby

Clarion Hotel Wisby offers a unique hotel environment where old meets new. Here you can find, among other things, a medieval alley and columns from the 12th century. On this extraordinary location, we operate a modern hotel with personal service and a warm welcoming atmosphere.

The location, in the middle of historic Visby, gives our guests close proximity to both attractions and shopping. In a couple of minutes' walk you reach the marina, the cozy streets S:t Hansgatan and Adelsgatan, the cathedral, and Almedalen.

Clarion Hotel Wisby is an international full service hotel, but with a twist. A hotel with a strong personality, a hotel that dares to be different. We are characterized by a unique medieval environment influenced by art, music & design. We are the obvious choice for curious travelers who want to be challenged and inspired.

Welcome to Clarion Hotel Wisby!

• Restaurant, Bar & Living Room

- In our restaurant **The Social** we serve excellent bistro classics, delicious cocktails and lovely wines.
- The restaurant is in the heart of the hotel, our living room, **Vinterträdgården** (the Winter Garden).
- In **Kaptenshuset** (the Captain's House), we serve breakfast, as well as conference and party meals.

• Pool

- Our pool area is the perfect place to recharge your batteries, in an inspiring and relaxing historical setting. The pool is heated to 28° and in the middle of it stands a pillar from the 14th century.

• Visby, Gotland

- In 1995, UNESCO named Visby a World Heritage Site, as well as the best-preserved fortified trading town in Northern Europe. But there are not only historic buildings and stories here, Visby is also one of the country's most restaurant-dense cities. Our small town offers unforgettable dining experiences with international flavors and local ingredients.
